

**Make feedback specific
enough to use.**

02

At dinner, my wife said she didn't love her food. I wanted to know why.

Too salty. More sweet. More
savory. Those were details she
could have offered.

04

She wanted it how she wanted it.
But she hadn't described what
she would change.

When the manager checked in, she said she loved it. They thought they were doing better.
