

**Start with the Culture
Scorecard.
Begin with one
behavior you can
describe.**

02

Look at an ordinary workday.
Notice what people repeat. Bring
a specific example.

Start with communication.
Describe what was said and what
the other person understood.

04

Look at feedback.
Notice whether it describes a
behavior or labels a person.

Choose one behavior.
Agree on what to practice. Make
time to look back.

**Choose where
to start.**
